

The McHenry Family
Gayle, Hannah, John
and Jack

In 1995 when we started looking for a kindergarten for our daughter, we chose Saint Mary Magdalen because of the diversity, strong teachers and positive leadership. We felt it was a safe and nurturing environment. Thirteen years and 164,000 miles later we have been very happy with our decision. We are the family from Cedar Hill that goes the "extra miles." We are grateful for the strong education, spiritual direction and high school preparation our children have received at Saint Mary Magdalen. The teachers and administration have been positive, dedicated and consistent. We appreciate the diversity and extra opportunities that Saint Mary Magdalen continues to offer.
